ABOUT MYSELF

I'm a 24-year-old programmer based in Opava, Czechia, with experience in writing IT articles, QA engineering, web development, web scraping/ETL/BE frameworks (Django, Flask, FastAPI) in Python and MS Azure. I can work in team or alone, I like to learn about new technologies (currently mostly interested in AI). I'm focused on Python, but can code in several other languages (see my Digital Skills or visit my LinkedIn).
